National Provider Identifier Update

- MDCH will implement a contingency plan for the NPI implementation. Effective May 23, 2007 through September 30, 2007, the providers will be required to submit both the NPI and the Legacy ID (Medicaid provider ID – 9 digit provider type and ID) on their claims.
 - The NPI will be reported in the 2010 AA segment loop NM 108 and 109 and the Legacy ID and Employee Identification Number (EIN) will be reported in the loop segment REF 01 and REF 02.
